

# 2024 *Reverse* ADVENT CALENDAR

*Give something back this Christmas*

Use our Reverse Advent Calendar to collect our most needed items in the run up to Christmas.

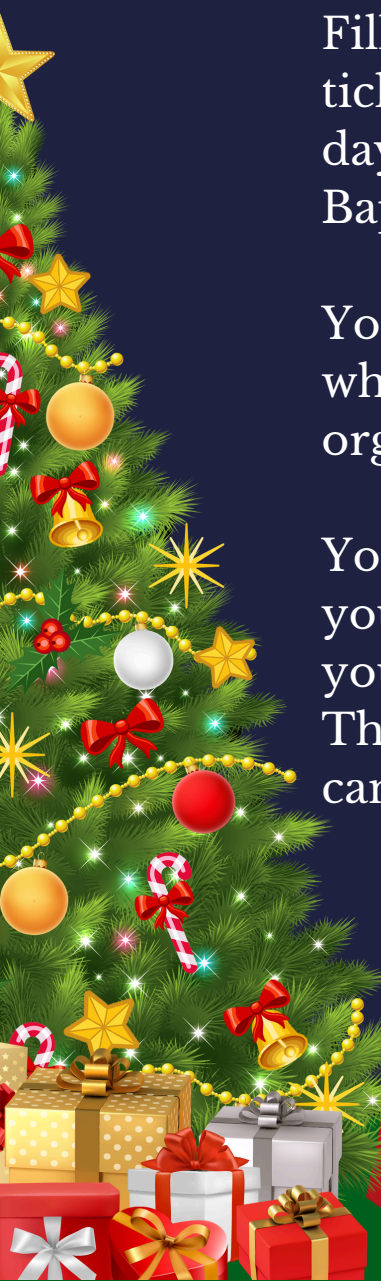

### How does it work?

Fill a box or a few bags with one item each day, ticking them off as you go, and at the end of the 24 days drop it off at our offices at the Mandurah Baptist Church, 370 Pinjarra Road, Greenfields.

You can do this on your own, with your family, or why not get your workplace, school, community organisation or church involved?

You can choose when in November / December you do your 24 days, but we'd love you to drop off your donations by **6th December 2024**.

Thank you for supporting our Gift of Christmas campaign.
